

Parkinson Alberta Board of Directors Biography

Christine Keillor, Calgary

Christine Keillor was born and educated in Calgary. She is a graduate of the University of Calgary and has had successful careers in corporate communications, pharmaceuticals and biotechnology.

More recently she has spent over a decade in chronic diseases including Multiple Sclerosis and Parkinson disease where she has been a liaison between industry and researchers, nurses, clinicians, educators and non-profit organizations.

Christine has initiated many significant programs including medical education programs for clinicians and nurses as well as projects through non-profit organizations focused on the unmet needs of patients. Christine has a special interest in transitional and long-term care and housing for seniors and those with chronic diseases.
