

## Happy New Year 2018!

Here is it another year starting and we have some exciting programs to kick off the start of the New Year. 2017 was a year of many changes but with perseverance and working together we continue to strive to provide support to you through our Core Services.

### **Appointments Welcome!**

If you would like to visit our Client Service Coordinators for a one on one appointment or have a tour of our office, please call ahead and book an appointment at 780-425-6400.

### **Membership Renewal:**

Memberships run yearly from January – December and cost \$25. Parkinson Association of Alberta members receive access to programs and events at a discounted rate and will receive a free Aware in Care kit. Talk to your Client Services staff to find out more.

### **Finding Support!:**

Parkinson Association of Alberta offers many forms of support through our Core Services. We encourage you to join us at a Support Group in your area and share your journey with others as well as learn new and helpful skills.

## Care Partner Support Group

This support group is uniquely focused on the present and future challenges that arise from living with someone with Parkinson. Information is shared from a number of therapeutic sources and draws from the experts – you—to share your triumphs and challenges with others. This intimate group meets on the 1<sup>st</sup> Thursday of the month, 10:00 am-12 noon, at the PAA- Edmonton office

## Parkinson Plus Support Group (MSA, PSP, CBD, Lewy Body)

This Support Group is available through Tele-Support which means you can get the support you need from the comfort of your own home. Join us on February 8<sup>th</sup> 1:00am – 11:00am. To register please call 1-800-561-1911.

## Tele-Support Group

Every month you can join in from the comfort of your own home. This allows you to stay informed without having to go out into the winter weather. This Support Group runs on the 3<sup>rd</sup> Thursday of the month, 10:00am – 11:00am. Simply call 1-800-561-1911 to register.

Would you like to be involved in research and make a difference? Visit our website <http://www.parkinsonalberta.ca/callforresearchparticipants> or contact us to hear about research opportunities available for those living with Parkinson's and their families in the Edmonton Region.

## SUPPORT GROUPS

Support groups can be a valuable resource as they provide a place to meet others and share similar experiences. Below is a list of the support groups offered in our Region. For more information call 780-425-6400.

If you would rather take part in a support group from the comfort of your own home, you are invited to join the **'Tele Support Group'** which takes place on the 3<sup>rd</sup> Thursday of the month from 10:00am – 11:00am.

Call 1-800-561-1911 for information or to register.

## PROGRAMMING

As you move into 2018, we would like to remind you that all programs **require pre-registration** a minimum of one week in advance of the program start date. **Payments must be made at the time of registration** as we run cost-recovery programming and need to ensure that we can pay our program facilitators. We are **not able to pro-rate** classes because we are cost recovery. If there is a medical procedure during the class session, please speak to a Client Services Coordinator.

**We will accept post-dated cheques for the programs.** Payment can be made by cash, credit card or cheque, in person, over the phone or via Canada Post. We do not have debit or eTransfer.

Please remember that we require a **minimum number** of participants to run. If these programs do not meet participant requirements one week prior to the program start date, we will have to **cancel** the program.

Registration for these programs will be accepted on a **first-come, first-serve basis**.

Below is a list of programs that we will be offering throughout January to March. Simply call the office at 780-425-6400, unless otherwise indicated in the Program Calendar. Just a reminder that our most up-to-date offerings are available anytime on our website. Just go to [www.parkinsonalberta.ca](http://www.parkinsonalberta.ca) and click the blue button on the right that says "EDMONTON"!

These icons indicate which category(ies) a program falls under; you will find them beside each program listing below.

### Education Programs:

#### Speaker Series: Tax Measures for Persons with Disabilities

January 11, 2018 - Thursday

Edmonton: PAA Edmonton Office, 11209-86 St.

1:00pm – 3:00pm

Cost: Free

This presentation is intended to help individuals with a disability, or the people who support them, find answers to some of the key questions related to tax measures that may apply to them.

**Presenter:** Cheryl Wells, Service Canada, Regional Outreach Program Officer

#### Webinar: Parkinson's disease Psychosis: Hallucinations, Delusions and Paranoia

February 27, 2018 – Tuesday

Edmonton: PAA Edmonton Office, 11209-86 St.

11:00am – 12:00pm

Cost: Free

Learn more about Parkinson's disease psychosis by joining a one-hour Parkinson's Foundation online seminar led by Christopher G. Goetz, M.D., Professor of Neurological Sciences, Professor of Pharmacology, Rush University Medical Center, and Parkinson's Foundation Center of Excellence. Registration will open in the fall.

**\*Register in advance to secure your spot to watch and also receive reminders to tune in!**

To watch this from the comfort of your own home go to: [http://www.pdf.org/parkinson\\_briefing\\_psychosis17](http://www.pdf.org/parkinson_briefing_psychosis17)

## Speaker Series: Emergency Medical Services

March, 21, 2018 - Wednesday

Edmonton: PAA Edmonton Office, 11209-86 St.

1:00-3:00 pm

Cost: Free

This presentation will focus on what to expect when you call 911, from the time of the call to your arrival in hospital. It will touch base on working with the 911 operator, arrival of the paramedics, what to expect and how to prepare. Special attention will be given to creating a personal directive plans.

Presenters: Alex Campbell, ACP – Public Education Officer, AHS EMS Edmonton.

## Hope Conference – Future Forward

May 26, 2018 - Saturday

Edmonton: Central Lions Recreation Centre, 11113 113 St. NW Edmonton

9:00am – 3:30pm

Cost: \$35 member \$45 non-member

This year Parkinson Association of Alberta will be hosting a Hope Conference in both Edmonton and Calgary. More information will be available come March so save the date! We have some very exciting speakers lined up that will be giving you skills to use every day to help live well with Parkinson’s disease.

## Exercise Programs:

### Alexander Technique

Alexander Technique is an educational process with therapeutic side-effects, giving participants tools to find balance, reduce tension and stress and make life easier. As well as dealing with pain and general discomfort, this work has had significant success in reducing and managing common Parkinson’s symptoms like cramping, tremor, freezing, and hunching. Candace Cox, certified Alexander Technique Teacher continues to come to Edmonton to work with Parkinson’s clients at the Parkinson Alberta office. Please call to add your name to the waitlist.

---	--

PWR!™ Moves and Circuit is a class designed to help you move better, think faster, feel more confident and energetic. Participants must be able to get onto the ground and up again with minimal assistance. New participants must undergo a brief assessment. This assessment will determine which group is right for you!

\*Minimum 10 participants per class.

**Instructor:** Margaret Orr

Click to watch this PWR! video: <https://www.youtube.com/user/exercise4brainchange>

## **Sit, Stand & Strengthen**

<p><b>Session 1</b>  <b>January 17 – February 28 (6 weeks)</b>  <b>Mondays &amp; Wednesdays – Large room</b>                  10:30am – 11:30am  <b>Cost:</b> \$150 members \$160 non-members  <b>Edmonton:</b> PAA Edmonton Office 11209-86 St.  <b>*No class: February 12<sup>th</sup> (Family Day)</b></p>	<p><b>Session 2</b>  <b>March 5 – April 11 (6 weeks)</b>  <b>Mondays &amp; Wednesdays – Large room</b>                  10:30am – 11:30am  <b>Cost:</b> \$150 members \$160 non-members  <b>Edmonton:</b> PAA Edmonton Office 11209-86 St.  <b>*No class: April 2<sup>nd</sup> (Easter Monday)</b></p>
---	--

Start with a beginner exercise class with a focus on sitting exercises to reduce stiffness and improve strength. Practice standing balance and walking tasks that challenge you in a safe environment. Exercises will target specific movement challenges experienced by persons with PD. This class is ideal for those who cannot get down on the floor and participate in PWR Moves.

\*Minimum of 6 and maximum 8

**Assessment Fee:** \$30

**Instructor:** Cari Cooke.

## **Private Onsite Physiotherapy**

Cari Cooke is a registered Physical Therapist with over 20 years' experience. She has a special interest in the assessment and treatment of Persons with Parkinson's disease. She has experience with all stages of PD as a research assistant, instructor of group classes, and as a DBS Coordinator. She has certifications in LSVT/BIG, Urban Poling, and Neurodevelopmental Theory. If group classes are not able to address your specific movement concern, consider an individual visit with Cari. **Appointments and payment can be made at our reception desk.**

## **Social Programs:**

## Social Sing-a-long

**January 5 – March 23, 2017**

**Every Friday**

10:00am – 11:30am

**Cost:** \$2 Drop-in

**Edmonton:** PAA Edmonton Office, 11209-86 St.

This drop-in, You-Tube led, group-sing-a-long program is a great way to have fun, increase social bonding, helps cognitive functions and keep your vocal chords active. No singing skill required.

## Swivel, Step, Swing Potluck

**February 9**

**Friday**

1:00pm – 3:00pm

**Cost:** Free!

**Edmonton:** PAA Edmonton Office, 11209-86 St.

Come and join us for some great music and dancing. Bring your favorite dish to share as we celebrate our dancing skills with food, beverage, joy and laughter!

## Young Onset / Young at Heart Social

**4th Monday of the month**

**\*Note that dates and times may change**

**January 22 / February 26 / March 26**

6:30pm – 8:30pm

**Location:** To be determined.

Join others with Parkinson's and their Care Partners in a fun filled atmosphere. There are a variety of different activities in various areas of Edmonton that take place once a month. This is welcomed for all those who are young at heart!  
Please call office for details.

780-608-4927

This Parkinson Exercise Program is a twice weekly group class designed to help you move better, think faster, feel more confident and energetic. Bring a water bottle, floor mat, and walking poles and remember to wear comfortable clothing!

**Instructor:** Connie Harrison is a PWR!  
trained physiotherapist

[www.camrosepcn.com](http://www.camrosepcn.com)

CAMROSE | BASHAW | DAYSLAND  
FORESTBURG | HARDISTY | TOFIELD

## In Fort Saskatchewan!

### Parkinson's Pole Walking *(In partnership with Dow Centennial Centre)*

**January 8 – March 19 (11 weeks)**

**Mondays**

10:15am – 11:15am

**Cost:** \$86

**Fort Saskatchewan:** Dow Centre, 8700 – 84 St.

**Registration:** [www.fortsask.ca](http://www.fortsask.ca) 780-992-6400  
OR 780-992-6280

Being active is one of the most important things you can do to maintain your physical and mental wellbeing. Studies show that people with Parkinson's need to exercise to prevent the negative effects of inactivity. Walking with poles gives greater stability as well as a boost in the calorie burn by engaging your arms, shoulders and back muscles increasing upper body strength. Gain strength, flexibility and balance by being active

## Up, Rock, Twist and Step *(In partnership with Dow Centennial Centre)*

<p><b>January 11 – March 29 (11 weeks)</b>  <b>Thursdays</b>  <b>Fort Saskatchewan:</b> Dow Centre, 8700 - 84 Street  2:45pm - 3:45pm  <b>Cost:</b> \$72  <b>Registration:</b> <a href="http://www.fortsask.ca">www.fortsask.ca</a> 780-992-6400  OR 780-992-6280</p>	<p>A research based approach to exercise as medicine for Parkinson’s Disease and other movement disorders. Exercises that promote aerobic capacity and motor learning control will be taught in a fun progressive way. The focus will be on large expansive body movements using high effort and sensory awareness. Participants will learn how to use these foundational exercises to target the symptoms that interfere with daily movement.</p>
---	--

## In Parkland!
